and the treasury challan relating thereto should be attached to the tender. Without the earnest money deposit, no tender will be considered.

4. The rate quoted in the tender should be written in figures as well as in words.

5. About 25 buffaloes may be available about once in three months and they have to be removed on payment of the purchase money, from the Institute premises on the dates fixed by the undersigned which will be intimated to the contractor a fortnight in advance. This number is only approximate. If the contractor delays in removing the he-buffaloes on the dates fixed by the officer, the animals will be retained in the Institute only at the contractor's risk and he will have to pay as feeding charges, annas eight per he-buffalo for every day of delay till the date of their removal, the maximum time allowed being ten days. This feeding charge should also be paid in cash together with the purchase money before he takes delivery of the animals. In case of delays in taking delivery of the animals, the undersigned may at his discretion levy a fine not exceeding Rs. 10 for every delay and this fine is payable in addition to the feeding charges. Failure to fulfil the above conditions on the part of the contractor will entail forfeiture of the money deposited in the treasury and further, he must make good to Government any loss that may arise consequently during the whole official year.

6. The tenders will be opened by the undersigned commencing from 3 P.M., on Friday the 31st May 1940 in the presence of such tenderers as may choose to attend.

7. The undersigned does not bind himself to accept the highest rate or any tender or to assign any reason whatever for the rejection of any tender.

8. No claim for any compensation or reduction of prices on any account shall be entertained.

9. The name of the successful tenderer will be intimated in due course.

10. Within seven days from the date of intimation of the acceptance of the tender, the successful tenderer shall be required to execute an agreement bond (as detailed in the sample copy which is available for reference in the office of the undersigned) on a ten-anna stamp paper furnishing a sum not less than 10 per cent of the total value of the tender as security deposit towards the fulfilment of the contract, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

11. The earnest money of the unsuccessful tenderers will be returned in due course. The earnest money of the successful tenderer will be refunded after his executing the necessary agreement bond.

12. The contract should not be sublet.

13. Preference will be given to tenders from raiyats at the discretion of the undersigned.

14. The contractor should take delivery of all and only those animals that the Superintendent offers for sale and the decision of the undersigned is final in the matter of selection of done animals and also of infringement of the stipulations of the contract.

15. If the undersigned is not satisfied in respect of the financial stability of the successful tenderer, the security required to be furnished by the contractors may be raised to 15 per cent or more at the discretion of the undersigned without assigning any reason whatever and his decision in the matter is final.
